You don't know like I know
I need a woman
When a man loves a woman
Thinking about you
Neighbor neighbor
Love U2 much
I've been hurt so many times
Rockin' little boogie
Leave it up to you
Tired of walkin'
Satellite dish
Long gone baby
Love of a woman
Stand up straight and tall

Empty house of so many tears
Drowning on dry land
Love is strange
Pride and joy
Let the good times roll
Ain't nobody home
These blues are killing me anyhow
Over the mountain across the sea
Up the line
It's gonna work out fine
She caught the Katy
It's too late
Right next door

Fallin' from the edge of the world
I just want to make love to you
Don't be afraid of the dark
My love depends on you
Dark end of the street
